

COPYRIGHT DECLARATION

Before publication of your paper in the Journal of the IASS, the IASS Secretariat must receive a signed Copyright Declaration. Submission of the completed declaration may be by mail, by fax or by a scanned copy as an e-mail attachment. In the case of a contribution by multiple authors, either the corresponding author or an author that has the authority to represent all other authors should sign the declaration.

Paper Number:

Title:

Author(s):

Affiliation:

Address:

Phone:

E-mail:

Directions: Circle 1 and 2 and then sign either 3 or 4, depending on your choice for part 2.

1. Does your publication contain any material bearing a copyright? Y / N

If the contribution contains materials bearing a copyright, author(s) must submit documentation from each copyright holder granting permission to reproduce such material in the Journal, and the material must be properly acknowledged by reference citations and/or with credits in photo/figure/table captions.

2. Choose a Copyright Option: A / B

3. Option A: The copyright of the publication remains with the authors. The copyright notice will read: "Copyright © 20<YY> by <name(s) of author(s) as listed above>. Published by the International Association for Shell and Spatial Structures (IASS), with permission."

I hereby license the International Association for Shell and Spatial Structures to publish this work and to use it for all current and future print and electronic issues of the Journal of the IASS.

Signature: _____

4. Option B: The copyright of the publication is transferred to the IASS. The copyright notice will read: "Copyright © 20<YY> by the International Association for Shell and Spatial Structures (IASS)."

I irrevocably transfer and assign copyright to my work exclusively to the IASS, giving the IASS all rights to it except that I and the organization by which I was employed at the time I wrote the manuscript have the right of further print reproductions and dissemination through my or my organization's website.
