
CONTENTS:

1. The last issue of the IASS Journal: March 2019 is recently available
 2. IASS Annual Symposium in Barcelona
-

1. IASS The last issue of the IASS Journal VOL 60 (2019) No 1, n. 100 March

The **special issue**, co-ordinated by N. de Temmerman, is on **Transformables: Deployable Structures and Rapidly Assembled Systems**. It contains 7 papers. Access to a PDF of the full issue is through the [Publications Gateway for IASS members](#) of the IASS website. Soon the issue will also be available as usual in the **Ingenta** website.

You can access to the content page clicking in [Journal 2019_1 Content](#).

2. Future IASS 2019 Annual Symposium in Barcelona

The international Conference **FORM AND FORCE 2019** will be organised on 7-10 October 2019 in Barcelona, Spain.

FORM and FORCE 2019 incorporates:

- the **IASS 60th Anniversary Symposium** (IASS SYMPOSIUM 2019) and
- the 8th International Conference on Textile Composites and Inflatable Structures (STRUCTURAL MEMBRANES 2019)
