CONTENTS:
1. The latest issue of the IASS Journal, June 2021 is available
2. Open Access Policy: Gold Route
3. Future IASS Annual Symposia
4. Other IASS events

1. The latest issue of the Journal of the IASS – Vol. 62 (2021) No. 2, June n. 208 is available on the IASS website
It is a SPECIAL ISSUE regarding: Working Group WG13 on: Computational Methods for Shell and Spatial Structures.
Guest Editors: Makoto Ohsaki, Carlos Lázaro and Kai-Uwe Bletzinger.

Note: For IASS Members the access to a PDF of the full issue is through the Publications Gateway. You can see the content by clicking here. The issue is also available on the Ingenta website in the usual form.

2. Open Access Policy: Gold Route
The IASS has adopted as an option the Gold Route at a cost of an article processing charge of €400. If this option is selected by the authors in their License Agreement/Copyright Declaration, their article will be on the Journal’s Ingenta-Connect website freely available to all.

3. Future IASS Annual Symposia

3.1. Inspiring the next generation – IASS Annual Symposium and Spatial Structures Conference 2020/21. Surrey, Guildford, UK
Due to the coronavirus pandemic, the 2020 IASS Symposium to be held in Guildford, UK, on August 2020, has been postponed and will now take place from 23 to 27 August 2021.

Register now on: https://www.surrey.ac.uk/iass2021/registration

3.2. Innovation, Sustainability and Legacy – IASS Annual Symposium and Asia-Pacific Conference on Spatial Structures (APCS), Beijing University of Technology, China
The symposium will be held on from 24 to 28 October 2022.

More information: IASS2022@vip.126.com www.IASS2022.org.cn
