-

1. The latest issue of the Journal of the IASS – Vol. 63 (2022) No. 2, March n. 212 is available on the IASS website

For IASS Members the access to a PDF of the full issue is through the [Publications Gateway](#). You can see the content by clicking [here](#). The issue will be also available on the Ingenta website in the usual form.

2. Election Executive Council candidates 2022 and others

The five candidates have been elected. They are: Ken'ichi Kawaguchi, Sergio Pellegrino, Makoto Ohsaki, Carlos Lázaro and Ruy Marcelo de Oliveira Pauletti.

There are two candidates: Charis Gantes and Caitlin Mueller, in the sixth position with the same number of votes, and the Executive Council will make a decision about this at the next EC meeting.

Membership Committee Chair: Ruy Marcelo de Oliveira Pauletti has been appointed as the new Chair of the Membership Committee, replacing Juan Gerardo Oliva-Salinas, who had asked to leave the Chair.

The Liaison Committee has created the Joint Committee on the Globe Consensus (JCGC), parallel to the JCSS (Joint Committee on Structural Safety). Corentin Fivet will be the representative of the IASS.

3. Amendment of Statutes of the IASS

The Proposal of Amendment of Statutes has been unanimously approved by the General Assembly and will be included on the website.

4. 30th Biennial Meeting of WG 4 – Technical Expert Group on Masts and Towers

1st September 2022, Toronto, ON, Canada
